AND THE TEAM MUST FIND THE JEALOUS KILLER**

“Bikini Wax” - #041 - When a petty officer turns up dead backstage at a local bikini contest, Gibbs and the team are sent in to investigate on NCIS Tuesday, March 29, 2005 (8:00-9:00 PM, ET/PT) on CBS. Stephen Cragg directed the episode written by David J. North.

Gibbs and the team are called to Virginia Beach, where a female petty officer is found dead in a public bathroom. The team learns that she was participating in a spring break bikini contest and that she had just returned home from some time at sea. Meanwhile, the beach scenario has Tony reminiscing with McGee about his Spring Break days.

When they get the body into the lab for an autopsy, Ducky quickly learns that the young woman has a secret. While Kate traces her phone calls, Gibbs and Tony track down the one friend that she called as soon as she got back on land. The petty officer’s friend tells the agents about a man who had been stalking her who was just released from prison. Gibbs immediately sends Tony to interrogate the alleged stalker of his whereabouts the day of the murder. However, when his story checks out, the team must reevaluate their investigation and try to find out if jealousy could be the motive in this case.
