

NUMB3RS

DON AND HIS TEAM MUST LOCATE A MISSING TRUCK CARRYING NUCLEAR WASTE BEFORE MILLIONS OF ANGELENOS BECOME VICTIMS OF A DIRTY BOMB, ON “NUMB3RS,” FRIDAY, APRIL 22

“Dirty Bomb (#010)” – Don must find the hijackers of a truck carrying nuclear waste before they detonate a dirty bomb in Los Angeles, on **NUMB3RS**, Friday, April 22 (10:00-11:00 PM, ET/PT) on CBS. Paris Barclay directed the episode written by Andrew Dettman.

Don and his team are called in when it is discovered that a truck driver and his big rig carrying radioactive material has been hijacked and is now mysteriously missing. Don is pressed for time to find the truck when the hijackers threaten to detonate a dirty bomb in an undisclosed location in Los Angeles if they don't receive \$20 million in twelve hours.

While Charlie frantically tries to figure out the probability of the potential location of the bomb, no one is more surprised than Alan, when his background as a city planner is able to help the case.
