**Los Angeles, CA (February 27, 2023)** - Pluto TV, the leading free streaming television service, today announced a knockout lineup of new channels and programming coming to the service in March.

On March 1, the heavyweight Hollywood movie franchise, ROCKY, will enter the Pluto TV programming ring with an all-new, limited run channel - **Pluto TV ROCKY**. Viewers will be able to grab a ringside seat to stream the ROCKY COLLECTION featuring **ROCKY** (1976), **ROCKY II** (1979), **ROCKY III** (1982), **ROCKY IV** (1985), **ROCKY V** (1990) and **ROCKY BALBOA** (2006) - for free.

Joining the ring, beginning every Wednesday in March, Pluto TV will be highlighting **WOW - Women Of Wrestling** with the all-new season one reboot episodes and two docu-series, **My Road to WOW - The Secrets of The Superheroes** and **The Origin of WOW - Women Of Wrestling**, coming later this month. And, one of the most powerful anime characters of all time, **Sailor Moon**, will also be joining the Pluto TV lineup. The classic television show based on the manga originally launched in the 90's, and has since grown to an expanded universe of series and films, inspiring a generation of viewers with this iconic character. The Sailor Moon channel will provide viewers access to hundreds of hours and episodes of their favorite content, including all 200 episodes of *The Pretty Guardians Sailor Moon*, all episodes of *The Pretty Guardians Sailor Moon Crystal*, as well as *The Pretty Guardians Sailor Moon R: The Movie*, *The Pretty Guardians Sailor Moon S: The Movie* and *The Pretty Guardians Sailor Moon Super S: The Movie*.
